Lead Software Engineer at @DTCC || Building Innovative Mobile and Desktop Solutions
June 1, 2020, Kushal worked with Preetam on the same team

"I rarely come across real talents who stand out like Preetam. I had the pleasure of working with Preetam for nearly 2 years at Ikvox and Cyrrup. Peter's ability to handle multiple projects was unlike any I've seen before and made a dramatic increase in the productivity level of our company. No matter how tense a meeting, Preetam made sure everyone left with a smile. As a team member or a leader, Preetam earns my highest recommendation."
